Landfill

Happy Holidays!

December 17, 2020

Wishing our neighbors and customers peace, joy and health.

YORK, Pa. (Dec. 17, 2020) – This year has been a year like no other. And in times like these, we're reminded how blessed we are for the relationships we've forged and the friendships we've made over the years.

For us, one of the real joys of this holiday season is the opportunity to say thank you to our friends, neighbors and customers for your loyalty and goodwill after nearly 50 years together in this community.

On behalf of all of us here at Modern Landfill, and in appreciation of our longtime association and partnership, we extend our warmest greetings this holiday season and best wishes for peace, joy and health in the new year.
