

## Serving Lower Windsor Township

April 15, 2021

### Modern Landfill's FREE Spring Cleanup Marks 27 Years

**YORK, Pa. (Apr. 15, 2021)** –Modern Landfill is continuing its rich, long-standing tradition of helping neighbors and investing in communities by sponsoring the 27th annual spring cleanup for Lower Windsor Township residents from April 19-24.

Hundreds of Lower Windsor Township residents take advantage of the FREE service, which has grown from a one-day offering when it started in 1994 into a weeklong event today. Modern Landfill hosts a similar FREE cleanup for residents each fall, too.

Since its inception, the cleanup program has provided the community with approximately \$400,000 in free disposal services.

**“We mean it when we say we value our long-term relationship with the community and our neighbors,”** said Tim O’Donnell, general manager of Modern Landfill. **“Modern Landfill has been part of this community for nearly 50 years, and these annual cleanups have been among our signature events for nearly 30 years as a way to bring real value and benefits to those we serve.”**

In the event residents missed the Lower Windsor Township Board of Supervisors meeting on April 8, when officials and staff promoted the cleanup, details about the event are available on Page 7 of township’s current newsletter. [CLICK HERE](#) to access the newsletter.

**This specific cleanup is open only to Lower Windsor Township residents, and a coupon is required.** Coupons can be obtained from the newsletter, which includes additional details about event times and accepted items. Additional coupons are available at the township office, with a limit of two per household. Proof of residency is required.

Modern Landfill strives daily to return value to the communities where it operates — and the spring cleanup is just one example.

Modern Landfill also returns \$2.1 million in combined annual host fee payments to Windsor Township and Lower Windsor Township, the two communities where the facility is located. Lower Windsor Township alone receives \$900,000 per year, along with other benefits.
