

New Year Brings Renewed Hope

December 21, 2021

Modern Landfill remains committed to communities, neighbors

YORK, Pa. (Dec. 21, 2021) – On behalf of Modern Landfill, we want to wish you a happy holiday season and prosperity in the year ahead.

We have been your partner for nearly a half century and remain committed to finding ways to maintain and expand our long-term support for local government services and community initiatives.

We are grateful for the strong relationships we have in this community – and for those of you who have made your voices heard over the last year. We listened, and with your input put together a plan that strengthens our community.

As part of the proposed expansion in Lower Windsor Township, our promises to you:

\$1.2 million

\$300k increase in annual host fee payments for Lower Windsor Township, going from \$0.97 to \$1.35 per ton, a 39% increase

\$250k

Paid to Lower Windsor Township in three installments for any need it has

\$30k

Annual support for emergency service providers

\$25k

Annual payment to repair roads and bridges and other infrastructure

Up to \$15k

Annual reimbursement for Lower Windsor Township fire hydrant costs (up from \$3,600)

\$700,000

FREE recycling and waste collection and disposal for Lower Windsor Township residents, valued at \$700,000 annually.

20 Days

Expansion of street sweeping services from 5 to 7 days to 20 days per year to keep the community clean

This is on top of the tax revenues we pay to schools and local governments, and the direct local contributions and in-kind services we provide to local organizations.
