

FREE Spring Cleanup Benefits Community

April 13, 2022

Program Marks 28th Year of Helping Lower Windsor Township Neighbors

YORK, Pa. (Apr. 13, 2022) – Some traditions are hard to break — and that’s OK, especially when the community benefits. Modern Landfill will host its 28th annual FREE spring cleanup in Lower Windsor Township next week, April 18-23. Hundreds of residents are expected to take advantage of the weeklong event.

Since its inception, the cleanup program has provided the community with more than \$400,000 in FREE disposal services. (Modern Landfill hosts a similar cleanup for residents each fall, too.)

Because of its popularity, continuation of the cleanups, among other financial and community benefits, was included in the revised host agreement proposal that Modern Landfill offered to Lower Windsor Township as part of a planned expansion. The township ended negotiations, however.

Modern Landfill values the long-term relationship it has with its neighbors. These annual cleanups have been among our signature events to bring real value and benefits to those we serve. We hope to continue them.

The cleanup is open only to Lower Windsor Township residents, and a coupon is required. Coupons can be obtained on Page 7 of the current township letter, available by [CLICKING HERE](#). Additional coupons are available at the township office, with a limit of two per household. Proof of residency is required.

The cleanup runs from 7 a.m. to 3:30 p.m. Monday, April 18 through Friday, April 22, and then from 7 a.m. to 9:30 a.m. Saturday, April 23. Check the township newsletter for details about accepted items.
