

## Continuing the Tradition of Holiday Giving

December 20, 2022

### **Modern Landfill supports its neighbors this season and all year round**

**YORK, Pa. (Dec. 20, 2022)** – Modern Landfill recently partnered with the Yorkana Game and Gun Club by matching its \$2,500 donation to support its “Shop with a Cop” event, a charitable program that connects the Lower Windsor Township Police Department with children in the community.

The program, with \$5,000 in combined grants, helps families in need and enables our local police officers to purchase the gifts that put smiles on children’s faces, which is what this season is all about — our kids. We take special pride in helping those who help others, especially during the holidays.

No matter the time of year, though, Modern Landfill remains committed to making sure local nonprofits and charitable organizations have the resources they need to fulfill their important missions.

Our foundation, administered by industry leader Republic Services, which has owned and operated Modern Landfill since 1999, gave \$1,000 to York Fresh Food Farms. The program increases access to healthy fruits and vegetables and makes farm-fresh, healthy food available for families in need, and promotes wellness and healthy eating.

Its goals align perfectly with our shared mission to protect farmland and preserve our rural character and agricultural heritage.

Giving back is a yearlong tradition for Modern Landfill, but during the holiday season especially, we’re reminded of how blessed we are for the relationships we’ve forged and the friendships we’ve made after nearly 50 years together in this community.

On behalf of all of us here at Modern Landfill, we extend our warmest holiday greetings and wish you peace, joy, and health in the new year.
