

## FREE Spring Cleanup for Lower Windsor Township Residents

April 17, 2023

### Program marks 29th year of Modern Landfill helping neighbors

**YORK, Pa. (Apr. 17, 2023)** – Modern Landfill is hosting its 29th annual FREE spring cleanup for Lower Windsor Township residents beginning today. As they do every year, hundreds of residents are expected to take advantage of the weeklong event, which runs through April 22.

Since its inception, the cleanup program – one of our signature events to bring real value and benefits to our neighbors – has provided the community with \$450,000 in FREE disposal services. (Modern Landfill hosts a similar cleanup each fall, too.)

The cleanup is included in the host agreement Modern Landfill has with Lower Windsor Township. The host agreement is the result of good-faith negotiations between the township and the landfill to ensure long-term support for local government services and community initiatives that benefit residents.

For this event, the cleanup is open only to Lower Windsor Township residents, and a coupon is required. You can get your coupon by [CLICKING HERE](#) and turning to Page 7 of the current township newsletter. Copies of the newsletter are also available at the township office.

There is a limit of two coupons per household. Proof of residency is required.

The cleanup runs from 7 a.m. to 3:30 p.m. Monday, April 17 through Friday, April 21, and then from 7 a.m. to 9:30 a.m. Saturday, April 22. The newsletter lists information about what items can and cannot be accepted at the landfill.
