

## FREE Fall Cleanup for Lower Windsor Township Residents

October 14, 2024

### Second event of the year to help our neighbors

**YORK, Pa. (Oct. 14, 2024)** – Modern Landfill is hosting its 29th annual FREE fall cleanup for Lower Windsor Township residents beginning today. Hundreds of residents are expected to take advantage of the weeklong event, which runs through Oct. 18.

The cleanup program is one of Modern Landfill's signature events to bring real value and benefits to neighbors. **Since its inception, the program has provided the community with more than \$450,000 in FREE disposal services.** (Modern Landfill hosts a similar cleanup each spring, too.)

The cleanup is included in the host agreement Modern Landfill has with Lower Windsor Township. The host agreement is the result of good-faith negotiations between the township and the landfill to ensure long-term support for local government services and community initiatives that benefit residents.

This cleanup event is open only to Lower Windsor Township residents, and a coupon is required. You can get your coupon by [CLICKING HERE](#) (page 7) for the current township newsletter. Copies of the newsletter also are available at the township office.

There is a limit of two coupons per household. Proof of residency is required.

The cleanup runs from 6 a.m. to 3:30 p.m. Monday, Oct. 14 through Friday, Oct. 18. The newsletter lists information about what items can and cannot be accepted at the landfill.
