

FREE Spring Cleanup Set for Lower Windsor Township

April 8, 2026

Program has provided neighbors with \$500,000 in FREE disposal services.

YORK, Pa. (April 8, 2026) – Modern Landfill is hosting its 32nd annual FREE spring cleanup for Lower Windsor Township residents. Since its inception, the program has provided the community with approximately \$500,000 in FREE disposal services.

Hundreds of residents are expected to take advantage of the weeklong event, which runs April 13-17. The cleanup is one of Modern Landfill's signature events. The landfill hosts a similar cleanup each fall, too.

The cleanup is open only to Lower Windsor Township residents, and a coupon is required as proof of residency. There is a limit of two coupons per household. [Residents can get coupons on Page 7 of the township's spring newsletter](#), which is available online. Limited copies also are available at the township office.

The cleanup runs from 6 a.m. to 3:30 p.m. Monday, April 13 through Friday, April 17. (Modern Landfill does not have weekend hours.) Residents can dispose of their items, at no charge, at the landfill. The [township newsletter](#) lists information about what items are not accepted.

The cleanup is included in the host agreement Modern Landfill has with Lower Windsor Township to ensure long-term support for local government services and community initiatives that benefit residents.
